

What the company does?
web app for five card
draw/poker

Come up with a name
Something cool
no clients
web app

for use in free time
vs com
vs friend

Create a logo

Monetary gain
100+ cases
Cosmetics

virtual money
good gameplay loop
purchasable currency
↳ free currency daily

User interface ~~it~~ has to look good
- not complex
- bonus - multiple platforms

↳ nice to have

Guest and create an account → betting with money

Color scheme
Red

banner ads
unobtrusive

textures

card designs

powerups like uno

Cartoonish for playful
vibe

promo code to invite
friends

Medium between minimalist and
cartoonish

has to be fun
skeuomorphism

think of mac apps
lots of feedback

Sounds

general car game sounds

Optional soundtrack Afro-beats or funk

Optional general sounds

Amapiano

4 locations Jamaica

Mexico

South Africa
